

Wintertime can be lots of fun

Wintertime can be lots of fun — just as long as you know how to stay safe. Find out how much you know about staying safe in the snow by completing this puzzle.

First, try to think of the right word to fit into each blank space in the sentences. Next, try to find the same word hidden in the word search puzzle. The word may be hidden backwards, forwards, upside-down, or at an angle.

1. Don't throw _____ at other children.
2. When riding on a snowmobile, you shouldn't wear a long _____ .
3. If your skin gets frozen, it could cause _____.
4. It's dangerous to ride a toboggan or _____ near the road.
5. Don't try to knock down large _____ from high above you.
6. In cold weather, it's important to wear gloves or _____ .
7. Don't dig _____ into deep snow.
8. It's best to stay inside during a heavy storm or _____.
9. Be careful walking on ice, because it's _____.
10. When playing in the snow, wear a heavy pair of socks on your _____.
